Aimee Batuski & Ellie Montgomerie are Pleasure & Intimacy Experts, committed to women living turned-on, connected and satisfying lives. These women are the millennial authorities in the global movement of the new feminine.

They've worked side by side with some of the top Intimacy & Sexuality teachers in the world, including: Nicole Daedone, Founder of the worldwide movement "Orgasmic Meditation"; Regena Thomashauer (aka Mama Gena), Founder of the School of the Womanly Arts and NY times bestselling author; and Miss Jaiya, who created the "Erotic Blueprints" and has been hand selected by Tony Robbins to work with his platinum members on sexuality and relationships.

Aimee & Ellie's company, Desire on Fire, is teaching, training & inspiring a new generation of women to become powerful agents of change, who allow their desires and pleasure to lead the way as they step into a whole new world of freedom, manifestation and ease. Everyone is raving about their retreats and programs and they've taught thousands of women how to create wild, confident intimacy, hot sex and fulfilling relationships.
