Aimee Batuski & Ellie Montgomerie are Pleasure & Intimacy Experts, committed to women living turned-on, connected and satisfying lives. These women are the millennial authorities in the global wide movement of the new feminine.

They've worked side by side with some of the top Intimacy & Sexuality teachers in the world. Their company, Desire on Fire, is teaching, training & inspiring a new generation of women to become powerful agents of change, who allow their desires and pleasure to lead the way as they step into a whole new world of freedom, manifestation and ease.

Aimee & Ellie have created a remarkable Sisterhood of women. Their annual weekend event, The Desire on Fire Experience, attracts hundreds of women from around the world to come together, in person and virtually, for 2 days of sisterhood, healing and feminine embodiment. Everyone is raving about their retreats and programs and they've taught thousands of women how to create wild, confident intimacy, hot sex and fulfilling relationships.
